Dear Fellow Stockholders:

You are cordially invited to attend the 2022 Annual Meeting of Stockholders (the “Annual Meeting”) of AG Mortgage Investment Trust, Inc., which will be held on Monday, May 2, 2022 at 11:00 a.m., Eastern Time. Due to the public health impact of the coronavirus outbreak (COVID-19) and to support the health and well-being of our stockholders, this year’s Annual Meeting will be held in a virtual meeting format only. We believe that a virtual meeting allows the full participation by, and interaction with, our stockholder base, while also being mindful of the public health and travel concerns our stockholders may have in light of the COVID-19 pandemic. You will be able to participate in the Annual Meeting, to vote, and submit your questions via live webcast by visiting <https://web.lumiagm.com/201017455>. Details of the business to be presented at the meeting can be found in the accompanying Notice of Annual Meeting of Stockholders and proxy statement (the “Proxy Statement”).

Pursuant to rules adopted by the United States Securities and Exchange Commission, we have provided access to our proxy materials over the Internet. Accordingly, we are sending a notice regarding the Internet availability of proxy materials (“Notice”) on or about March 21, 2022 to our stockholders of record on March 8, 2022. The Notice and Proxy Statement contain instructions for your participation in this process, including how to access our Proxy Statement and the Annual Report to Stockholders for the fiscal year ended December 31, 2021 over the Internet, how to authorize your proxy to vote online, and how to request a paper copy of the Proxy Statement and Annual Report to Stockholders if you so desire.

If you are unable to attend the virtual Annual Meeting, it is nevertheless very important your shares be represented and voted. You may authorize your proxy to vote your shares over the Internet as described in the Notice and Proxy Statement. Alternatively, if you received a paper copy of the proxy card by mail, please complete, date, sign and promptly return the proxy card by mail so your shares may be voted. You may also vote by telephone as described in your proxy card. If you vote your shares over the Internet, by mail or by telephone prior to the Annual Meeting, you may nevertheless revoke your proxy and cast your vote electronically via live webcast at the Annual Meeting.

On behalf of the Board of Directors, I extend our appreciation for your participation and continued support.

Sincerely,

David N. Roberts
Chairman of the Board & Chief Executive Officer

**PROXY STATEMENT
FOR
2022 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 2, 2022**

This proxy statement (the "Proxy Statement") is being furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of AG Mortgage Investment Trust, Inc. (the "Company," "we," "us" or "our") for use at our 2022 Annual Meeting of Stockholders (the "Annual Meeting") to be held on Monday, May 2, 2022 at 11:00 a.m., Eastern Time. Due to the public health impact of the coronavirus outbreak (COVID-19) and to support the health and well-being of our stockholders, this year's Annual Meeting will be a completely virtual meeting of stockholders, which will be conducted via live webcast. We believe the virtual meeting format allows the full participation by, and interaction with, our stockholder base, while also being mindful of the public health and travel concerns that our stockholders may have in light of the COVID-19 pandemic. Any reference herein to attending the Annual Meeting, including any reference to "in-person" attendance, means attending by remote communication via live webcast on the Internet.

Like an in-person meeting, you can vote and submit questions during the Annual Meeting by visiting <https://web.lumiagm.com/201017455>. You must have your 11-Digit Control Number in order to access the Annual Meeting. The Proxy Statement, proxy card, and our 2021 Annual Report to Stockholders (the "Annual Report") will be distributed or made available on or about March 21, 2022 to stockholders of record on the Record Date.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

In this section of the Proxy Statement, we answer some common questions regarding our Annual Meeting and the voting of shares at the meeting.

Q: Where and when will the annual meeting be held?

A: The meeting will be held on Monday, May 2, 2022 at 11:00 a.m., Eastern Time. You will be able to participate in the Annual Meeting, vote and submit your questions via live webcast by visiting <https://web.lumiagm.com/201017455>. To satisfy the requirements for admission to the Annual Meeting, please use the passcode "ag2022".

Q: Why is the Company holding a virtual meeting?

A: We feel it is appropriate this year to hold a virtual Annual Meeting due to the continuing public health impact COVID-19 and to support the health and well-being of our directors, executive officers and stockholders and their friends and family. We value and encourage broad investor participation and believe that a virtual meeting provides an opportunity for stockholders to attend and participate from their homes while minimizing public safety risks.

Q: *What is the quorum for the meeting?*

A: A quorum will be present at the Annual Meeting if a majority of the votes entitled to be cast are present, whether in person or by proxy. No business may be conducted at the Annual Meeting if a quorum is not present. As of the Record Date, 23,915,293 shares of common stock were issued and outstanding, and each share of common stock is entitled to one vote. If less than a majority of outstanding shares entitled to vote are represented at the Annual Meeting, we expect that the Annual Meeting will be adjourned in order to solicit additional proxies creating the necessary quorum. Notice need not be given of the new date, time or place if announced at the Annual Meeting before an adjournment is taken and the new date of the Annual Meeting is not more than 120 days from March 8, 2022, the record date for the Annual Meeting. Shares that are voted "For," "Against," "Abstain," or, with respect to the election of directors, "Withhold," will be treated as being present at the Annual Meeting for purposes of establishing a quorum. Accordingly, if you are a stockholder of record as of the Record Date and have returned a valid proxy or attend the Annual Meeting, your shares will be counted for the purpose of determining whether there is a quorum, even if you wish to abstain from voting on some or all matters at the Annual Meeting. Broker non-votes will also be counted as present for purposes of determining the presence of a quorum.

Q: *What am I voting on?*

A:

- (1) The election of six directors each serving until the 2023 annual meeting of stockholders and until his or her successor is duly elected and qualified;
- (2) Ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the year ending December 31, 2022; and
- (3) Approval, on an advisory basis, of our executive compensation, as described in this Proxy Statement.

Q: *How does the Board recommend that I vote on these proposals?*

A:

- (1) "FOR" the election of each of the nominees as directors;
- (2) "FOR" the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2022; and
- (3) "FOR" the approval, on an advisory basis, of our resolution on executive compensation, as described in the Proxy Statement.

Q: *Who is entitled to vote?*

A: Only stockholders of record of our common stock as of the close of business on the Record Date or their duly authorized proxies are entitled to vote at the Annual Meeting.

Q: *How do I vote?*

A: Whether or not you plan to attend the Annual Meeting, we urge you to authorize your proxy to vote your shares over the Internet as described in your notice regarding the Internet availability of proxy materials ("Notice"). Alternatively, if you received a paper copy of the proxy card by mail, please complete, date, sign and promptly return the proxy card in the self-addressed stamped envelope provided. Authorizing your proxy over the Internet, by mailing a proxy card or by telephone will not limit your right to attend the Annual Meeting and vote your shares in person.

Q: How do I vote my shares that are held by my broker?

A: If you have shares held by a broker, you may instruct your broker to vote your shares by following the instructions that the broker provides to you. Most brokers allow you to authorize your proxy by mail, telephone and on the Internet.

Q: How do I vote my shares at the Annual Meeting?

A: First, you must satisfy the requirements for admission to the Annual Meeting by visiting <https://web.lumiagm.com/201017455> and entering the passcode "ag2022". Then, if you are a stockholder of record at the close of business on March 8, 2022, you may cast your vote electronically at the Annual Meeting.

You may vote shares held in "street name" at the Annual Meeting only if you obtain a signed proxy from the record holder (broker, bank or other nominee) giving you the right to vote the shares.

Even if you plan to attend the Annual Meeting, we encourage you to authorize a proxy to vote your shares in advance by Internet, telephone or mail so that your vote will be counted in the event you later decide not to attend the Annual Meeting.

Q: How many votes do I have?

A: You are entitled to one vote for each share of common stock you hold as of the Record Date. Our stockholders do not have the right to cumulate their votes for directors.

Q: What are the voting requirements that apply to the proposals discussed in this Proxy Statement?

A: With respect to the election of directors, you may vote "For" all nominees, "Withhold" your vote as to all nominees, or you may vote "For All Except" one or more nominees. A properly executed proxy marked "Withhold" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated. Members of the Board are elected by a plurality of votes cast, in person or by proxy, at the Annual Meeting, provided that a quorum is present. This means the six nominees who receive the greatest number of "For" votes cast will be elected. Neither broker non-votes nor votes marked "Withhold" will have an effect with respect to the election of any nominee.

You may vote "For," "Against" or "Abstain" on Proposals 2 and 3. To be approved, each of Proposals 2 and 3 must receive the affirmative vote of a majority of the votes cast, in person or by proxy, at the Annual Meeting on the proposal, provided that a quorum is present. Abstentions and broker non-votes, if any, will not be counted as votes cast on Proposals 2 and 3 and will have no effect on the result of the vote.

Proposal	Vote Required	Discretionary Voting Allowed?
(1) Election of directors	Plurality**	No
(2) Ratification of the appointment of PricewaterhouseCoopers LLP	Majority*	Yes
(3) Approval, on an advisory basis, of our executive compensation	Majority*	No

* "Majority" means a majority of the votes cast at the Annual Meeting on the particular matter.

** "Plurality" means with regard to the election of directors, that the six nominees for director receiving the greatest number of "for" votes from our shares entitled to vote will be elected.

Q: *What is the difference between holding shares as a stockholder of record and as a beneficial owner?*

A: If your shares are registered in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, you are the “stockholder of record” of those shares.

If your shares are held in a stock brokerage account or by a bank or other holder of record, you are considered the “beneficial owner” of those shares. The Notice and Proxy Statement and any accompanying document have been forwarded to you by your broker, bank or other holder of record. As the beneficial owner, you have the right to direct your broker, bank or other holder of record how to vote your shares by using the voting instruction card or by following their instructions for voting by telephone or on the Internet.

Q: *How do I attend the Annual Meeting?*

A: You can attend the Annual Meeting, vote and submit your questions during the Annual Meeting by visiting <https://web.lumiagm.com/201017455>. You must use the passcode “ag2022” in order to access the Annual Meeting. Online access to the webcast will open 60 minutes prior to the start of the Annual Meeting to allow time for you to log-in and test your device. We encourage you to access the webcast in advance of the designated start time.

Q: *May stockholders ask questions at the Annual Meeting?*

A: Yes. There will be time allotted at the end of the meeting when our representatives will answer questions from participants of the webcast.

Q: *Why did I not receive my proxy materials in the mail?*

A: As permitted by rules of the United States Securities and Exchange Commission (the “SEC”), we are making this Proxy Statement and the Annual Report, which includes our Annual Report on Form 10-K for the fiscal year ended December 31, 2021, available to our stockholders electronically via the Internet. The “e-proxy” process expedites stockholders’ receipt of proxy materials and lowers the costs and reduces the environmental impact of our Annual Meeting.

On or about March 21, 2022, we mailed to stockholders of record, as of the close of business on the Record Date, the Notice containing instructions on how to access this Proxy Statement, our Annual Report and other soliciting materials via the Internet. If you received the Notice by mail, you will not receive a printed copy of the proxy materials in the mail unless you had previously indicated that you wanted to receive a printed copy. The Notice instructs you on how to access the Proxy Statement and Annual Report and how you may submit your proxy.

Q: *Can I vote my shares by filling out and returning the Notice?*

A: No. The Notice identifies the items to be voted on at the Annual Meeting, but you cannot vote by marking the Notice and returning it. The Notice provides instructions on how to authorize your proxy via the Internet or by telephone or vote in person at the Annual Meeting or to request a paper proxy card, which will contain instructions for authorizing a proxy by the Internet, by telephone or by returning a signed paper proxy card.

Q: *Will there be any other items of business on the agenda?*

A: We do not know of any other matter that may be brought before the Annual Meeting nor do we foresee or have reason to believe that proxy holders will have to vote for substitute or alternate nominees for election to the Board. In the event that any other matter should come before the Annual Meeting or any nominee is not available for election, the persons named in the enclosed proxy will have discretionary authority to exercise all proxies with respect to such matters in accordance with their discretion.

Q: *Who has paid for this proxy solicitation?*

A: We pay for the cost of preparing, printing and mailing the Notice and, to the extent requested by our stockholders, the proxy materials and any additional materials furnished to stockholders. Proxies may be solicited by our directors or our executive officers or by executive officers of AG REIT Management, LLC (our “Manager”) personally, by e-mail or by telephone without additional compensation for such activities. We have also retained D.F. King & Co., Inc. to perform proxy solicitation services at a fee estimated at \$7,000, plus out of pocket expenses. We will also request persons, firms and corporations holding shares in their names or in the names of their nominees, which are beneficially owned by others, to send appropriate solicitation materials to such beneficial owners, and we will pay such holders their standard and ordinary fees. We will also reimburse such holders for their reasonable out-of-pocket expenses.

Q: *What does it mean if I receive more than one Notice?*

A: If you receive more than one Notice, your shares are registered in more than one name or are registered in more than one account. Sign and return all proxy cards to ensure that all your shares are voted.

Q: *What if I return a signed proxy or voting instruction card, but do not specify how my shares are to be voted?*

A: If you are a stockholder of record and you submit a proxy, but you do not provide voting instructions, all of your shares will be voted FOR Proposals 1, 2, and 3.

If you are a beneficial owner and you do not provide the broker or other nominee that holds your shares with voting instructions, the broker or other nominee will determine if it has the discretionary authority to vote on the particular matter. Under the rules of the New York Stock Exchange (“NYSE”), brokers and other nominees have the discretion to vote on routine matters, such as Proposal 2, but do not have discretion to vote on non-routine matters, such as Proposals 1 and 3. Therefore, if you do not provide voting instructions to your broker or other nominee, your broker or other nominee may only vote your shares on Proposal 2 and any other routine matters properly presented for a vote at the Annual Meeting.

Q: *How are abstentions and “broker non-votes” treated?*

A: Under NYSE rules, brokers or other nominees who hold shares for a beneficial owner have the discretion to vote on a limited number of “routine” proposals when they have not received voting instructions from the beneficial owner at least ten days prior to the Annual Meeting. Your shares may be voted on Proposal 2 if they are held in the name of a brokerage firm, even if you do not provide the brokerage firm with voting instructions, since the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firms is considered a “routine” proposal. All other items on this year’s ballot are considered “non-routine” proposals under NYSE rules for which brokers may not vote absent voting instructions from the beneficial owner. A “broker non-vote” occurs when a broker or other nominee does not vote on a particular proposal because such broker or nominee does not receive such voting instructions and does not have the discretion to vote the shares.

Q: *Can I change my vote after I have voted?*

A: Yes. You can change your vote either by:

- executing or authorizing, dating and delivering to us a new proxy with a later date that is received no later than April 29, 2022;
- voting again via the Internet or by telephone at a later time before the closing of those voting facilities at 11:59 p.m., Eastern Time, on April 29, 2022;
- sending a written statement revoking your proxy card to our General Counsel provided such statement is received no later than April 29, 2022; or
- by attending the Annual Meeting, revoking your proxy and voting electronically at the Annual Meeting.

Your virtual attendance at the Annual Meeting will not, by itself, revoke a proxy previously authorized by you. We will honor the proxy card or authorization with the latest date.

Proxy revocation notices should be sent to AG Mortgage Investment Trust, Inc., 245 Park Avenue, 26th Floor, New York, New York 10167, Attention: General Counsel. New paper proxy cards should be sent to Proxy Tabulation Department, c/o American Stock Transfer and Trust Company, LLC, 6201 15th Avenue, Brooklyn, NY 11219.

Q: *Can I find additional information on the Company's website?*

A: Yes. Our website is located at www.agmit.com. Although the information contained on our website is not part of this Proxy Statement, you can view additional information on our website, such as our corporate governance guidelines, our code of business conduct and ethics, charters of our board committees and reports that we file with the SEC.

PROPOSAL 1: ELECTION OF DIRECTORS

Our Board currently consists of six members, including four directors that meet the independence standards of the NYSE. Our Nominating and Corporate Governance Committee analyzes the composition of our Board each year. In connection with this review, the Board, upon the recommendation of the Nominating and Corporate Governance Committee, nominated the following six individuals to serve until the 2023 annual meeting of stockholders and until their successors are duly elected and qualified: David N. Roberts, T.J. Durkin, Debra Hess, Dianne Hurley, Matthew Jozoff and Peter Linneman (each a “Nominee,” and, collectively, the “Nominees”).

All of the Nominees currently serve on the Board and were elected by the stockholders at the 2021 annual meeting of stockholders, except for Mr. Jozoff, who was nominated by the Board for election at the Annual Meeting. The Board anticipates that, if elected, each Nominee will serve as a director. However, if any Nominee is unable to accept election, the proxies will be voted for the election of such other person or persons as the Board may recommend, unless the Board determines to reduce the number of directors or to leave a vacant seat on our Board in accordance with the Company’s charter and bylaws.

RECOMMENDATION OF THE BOARD:

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE ELECTION OF EACH OF THE NOMINEES TO THE BOARD OF DIRECTORS.

The voting requirements for this proposal are described above and in the “General Information About the Annual Meeting and Voting” section of this Proxy Statement.

DIRECTOR NOMINEES AND EXECUTIVE OFFICERS

Information Regarding Director Nominees

We believe that all of the Nominees are intelligent, collegial, insightful, proactive with respect to management and risk oversight, diligent and exercise good judgment. The biographical descriptions below set forth certain information with respect to each Nominee for election as a director at the Annual Meeting, including the age of each Nominee as of the date of this Proxy Statement, and the experience, qualifications, attributes or skills of each Nominee that led us to conclude that such person should serve as a director.

All of our executive officers are employed by Angelo Gordon, an affiliate of our Manager, in various executive, managerial and administrative positions.

CORPORATE GOVERNANCE

Board and Committees

Our Manager manages our day-to-day operations, subject to the supervision and oversight of our Board. Our Manager has delegated to Angelo Gordon the overall responsibility of our Manager's day-to-day duties and obligations arising under our management agreement. Members of our Board are kept informed of our business through discussions with our and our Manager's executive officers, by reviewing materials provided to them and by participating in meetings of the Board and its committees. A majority of the members of our Board are "independent," as determined by the requirements of the NYSE and the regulations of the SEC. Our independent directors meet in executive sessions without the presence of our executive officers or non-independent directors.

Our Board has formed an audit committee ("Audit Committee"), a compensation committee ("Compensation Committee") and a nominating and corporate governance committee ("Nominating and Corporate Governance Committee") and has adopted charters for each of these committees. Each of these committees is composed exclusively of independent directors, as defined by the listing standards of the NYSE and, as it relates to the Audit Committee, Rule 10A-3(b)(1) promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Moreover, the Compensation Committee is composed exclusively of individuals intended to be, to the extent provided by Rule 16b-3 of the Exchange Act, non-employee directors.

Board Composition and Refreshment

Our Board recognizes the importance of having the right mix of skills, expertise and experience and regularly reviews its capabilities. Our Board is also committed to seeking highly qualified individuals from minority groups (including gender and ethnically/racially diverse groups) to include in the pool from which board nominees are selected. In the past five years, our Board has appointed two women to serve on our Board and, as a result, one-third of our Board's members are female.

Our Board further recognizes the importance of refreshment, particularly in light of the Company's new mission beginning in 2021 to focus our investment strategy primarily on acquiring and securitizing newly-originated residential non-agency mortgage loans. For this Annual Meeting, our Board has nominated an independent director for election at the Annual Meeting, Matthew Jozoff, who has substantial mortgage origination and securitization experience. In addition, following our Annual Meeting, our Board of Directors will have an average tenure of 5.2 years.

Board Leadership

Our business is conducted day-to-day by our executive officers and our Manager, under the direction of our chief executive officer and the oversight of our Board, to enhance long-term value for our stockholders. Our Board is elected by our stockholders on an annual basis to oversee our executive officers and our Manager.

The Board annually appoints a chairman of the board, who may or may not be our chief executive officer. David N. Roberts has served as Chief Executive Officer of the Company since our initial public offering in 2011 and as Chairman of our Board since the 2012 annual meeting of stockholders. In these capacities, Mr. Roberts is involved in both our day-to-day operations and the strategic decision making at the board level. We believe that it is in the best interests of our stockholders for Mr. Roberts to serve as both Chairman of our Board and Chief Executive Officer because of in depth knowledge of our Company as our Chief Executive Officer since our initial public offering as well as his decisive, consistent and effective leadership.

When the individual appointed as Chairman of our Board is also our Chief Executive Officer, which is the case currently with Mr. Roberts serving in both roles, the Board will also appoint a lead independent director. Our current lead independent director is Joseph LaManna, an independent member of our Board. We believe that having a lead independent director enhances independent oversight of our Company and management. Our lead independent director chairs executive sessions of the independent directors of the Board and meetings of the full Board when the

chairman is absent, and otherwise serves as a liaison between the independent directors, the full Board and management.

The Board recognizes that one of its key responsibilities is to evaluate and determine its optimal leadership structure so as to provide independent oversight of management. The Board believes that there is no single, generally accepted approach to providing board leadership, and the right board leadership structure may vary as circumstances warrant. Consistent with this belief, our independent directors consider the board's leadership structure on an annual basis. In connection with such annual review, in March 2022, our Board appointed Debra Hess, an independent member of our Board, to serve as our lead independent director effective May 2, 2022.

Director Independence

Under the corporate governance standards of the NYSE, at least a majority of our directors, and all of the members of our Audit, Compensation and Nominating and Corporate Governance Committees, must be "independent," as such term is defined in the NYSE Listed Company Manual. The NYSE standards provide that to qualify as an "independent" director, in addition to satisfying certain bright-line criteria, the Board must affirmatively determine a director has no material relationship with us (either directly or as a partner, stockholder or officer of an organization that has a relationship with us). Our Board has affirmatively determined each of the following director nominees satisfies the bright-line independence criteria of the NYSE and none of them has a relationship with us that would interfere with such person's ability to exercise independent judgment as a member of the Board: Debra Hess, Dianne Hurley, Matthew Jozoff and Peter Linneman. Therefore, we believe that all of these nominees, who constitute a majority of our Board nominees, are independent under the NYSE rules. Additionally, Joseph LaManna, who is not standing for reelection at the Annual Meeting, has been previously determined to be independent by the Board and is currently serving as lead independent director.

The Nominating and Corporate Governance Committee has adopted limits on the number of public company boards on which our independent directors may serve, to enable them to have sufficient time to devote to their duties to the Company. Unless approved by the Board, our independent directors may not serve on more than four public company boards, which number includes service on our Board. The Company does not limit the number of not-for-profit boards on which our independent directors may serve.

We have implemented procedures for interested parties, including stockholders, to communicate directly with our independent directors. We believe providing a method for interested parties to communicate directly with our independent directors, rather than the full Board, facilitates candid and open communications and provides an efficient method of relaying any interested party's concerns or comments. See "Communication with the Board and Independent Directors."

Nomination of Directors

Before each annual meeting of stockholders, the Nominating and Corporate Governance Committee considers the nomination of all directors and also considers new candidates whenever there is a vacancy on the Board or whenever a vacancy is anticipated. The Nominating and Corporate Governance Committee identifies director candidates based on recommendations from directors, stockholders, management and others. The committee may engage the services of third-party search firms to assist in identifying or evaluating director candidates.

Our Nominating and Corporate Governance Committee charter provides that the Nominating and Corporate Governance Committee will consider recommendations for board membership by stockholders. The Nominating and Corporate Governance Committee considers candidates proposed by stockholders and evaluates them using the same criteria as for other candidates.

The Nominating and Corporate Governance Committee evaluates annually the effectiveness of the Board as a whole and of each committee and conducts an annual assessment of each independent director. The Nominating and Corporate Governance Committee also identifies any area in which the Board would be better served by adding new members with different skills, backgrounds or areas of experience. The Board considers director candidates,

including those nominated by stockholders, based on a number of factors including: whether the board member will be “independent,” as such term is defined by the NYSE listing standards; whether the candidate possesses the highest personal and professional ethics, integrity and values; and whether the candidate contributes to the overall diversity of the Board. Candidates are also evaluated on their understanding of our business, experience, and willingness to devote adequate time to carrying out their duties, among other things. The Nominating and Corporate Governance Committee also monitors the mix of skills, experience and background of the members of the Board to assure the Board has the necessary composition to effectively perform its oversight function.

While we do not have a formal policy about diversity, our Board is committed to seeking highly qualified individuals from minority groups (including gender and ethnically/racially diverse groups) to include in the pool from which board nominees are selected. Each individual is evaluated in the context of the Board as a whole, with the objective of recommending a group of directors that reflects a mix of different viewpoints, professional experience, education, skills and other personal qualities and attributes that can best facilitate the success of the Company’s business and can represent shareholder interests through the exercise of sound judgment, using its diversity of experience.

Corporate Governance Guidelines

Our Board has also adopted corporate governance guidelines, which are available in the "Investor Relations - Corporate Governance" section of our website, www.agmit.com. These guidelines set forth the practices the Board follows with respect to, among other matters, the composition of the Board; director responsibilities; board committees; director access to executive officers, the Manager and independent advisors; director compensation; and regular evaluations of the performance of the Board.

Retirement Policy

The Board believes that 75 years of age is an appropriate retirement age for directors. Directors generally will not be nominated for reelection at any annual stockholders meeting following their 75th birthday. However, the Board may determine to waive this policy in individual cases.

Code of Business Conduct and Ethics

Our Board has established a code of business conduct and ethics that applies to our executive officers and directors as well as the employees, executive officers and directors of our affiliates who provide us services (the “Code of Ethics”). Among other matters, our Code of Ethics is designed to deter wrongdoing and to promote:

- honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- accurate, complete, objective, relevant, timely and understandable disclosure in our SEC reports and other public communications;
- compliance with applicable governmental laws, rules and regulations;
- the protection of Company assets, including corporate opportunities and confidential information;
- prompt internal reporting of violations of the Code of Ethics to appropriate persons identified in the Code of Ethics; and
- accountability for adherence to the Code of Ethics.

Any waiver of the Code of Ethics may be made only by our Board or one of our board committees. The Code of Ethics is posted in the “Investor Relations-Corporate Governance” section of our website, www.agmit.com. We intend to satisfy the disclosure requirement regarding any amendment to, or a waiver of, a provision of the Code of Ethics by posting such information on our website.

Board's Role in Risk Oversight

The Board is responsible for overseeing our risk management policies and practices. Our executive officers, including our Chief Risk Officer, who are responsible for our day-to-day risk management practices, regularly present to the Board on our overall risk profile and the processes by which such risks are mitigated. Our Manager also regularly reports to the Board on various matters related to our risk exposure. Through regular and consistent communication, our Manager provides reasonable assurances to our Board that all of our material operational and investment risks, including among others, liquidity risk, interest rate risk and capital market risk, are understood and addressed.

Cybersecurity

Cybersecurity is a growing risk for companies. While our Audit Committee is tasked with overseeing cybersecurity risks, it is of particular concern to the full Board, as well. Our Manager reports at least annually to the full Board regarding the steps our Manager is taking to protect the Company and its assets from cyber attacks or intrusions. Our Manager has developed a comprehensive framework that is designed to prevent, detect, address and mitigate the risk of unauthorized access, misuse, computer viruses and other events that could have a security impact. This framework includes an incident response plan and a third party vendor management program.

Board Meetings and Annual Meeting of Stockholders

The Board held 18 meetings (including regularly scheduled and special meetings) in 2021, and each director who was a director in 2021 attended at least 75% of the aggregate of (i) the total number of meetings of the Board (held during the period for which such person has been a director) and (ii) the total number of meetings held by all committees of the Board on which such person served (during the periods that such person served). We have a policy that directors attend each annual meeting of stockholders. All of our directors serving in May 2021 attended the 2021 annual meeting of stockholders. The independent directors have the opportunity to meet in executive session at least once per quarter during a regularly scheduled board meeting without management. As the lead independent director, Mr. LaManna presided at the executive sessions of the independent directors in 2021.

Our Audit Committee consists of Ms. Hess and Hurley and Mr. LaManna, each of whom is an independent director and “financially literate” under the rules of the NYSE. Our Board also determined that Mr. Jozoff, as a prospective Audit Committee member, is an independent director and “financially literate” under the rules of the NYSE. Ms. Hess chairs our Audit Committee and each of Ms. Hess and Hurley are audit committee financial experts, as that term is defined by the SEC. Our Audit Committee assists the Board in overseeing:

- the integrity and audits of our consolidated financial statements;
- our compliance with legal and regulatory requirements;
- our information technology security program;
- the qualifications and independence of our independent auditors; and
- the performance of our independent and internal auditors.

Our Audit Committee is responsible for engaging independent registered public accounting firms, reviewing with the independent registered public accountants the plans and results of the audit engagement, approving professional services provided by the independent registered public accountants, reviewing the independence of the independent registered public accountants, considering the range of audit and non-audit fees, and reviewing the adequacy of our internal controls over financial reporting.

Compensation Committee

Our Compensation Committee consists of Messrs. Linneman and LaManna and Ms. Hess, each of whom is an independent director under the rules of the NYSE. Our Board also determined that Mr. Jozoff, as a prospective

Compensation Committee member, is an independent director under the rules of the NYSE. Dr. Linneman chairs our Compensation Committee. The responsibilities of our Compensation Committee include evaluating the performance of our executive officers; reviewing the compensation payable by us, if any, to our executive officers; evaluating the performance of our Manager; reviewing the equity compensation and fees payable to our Manager under the management agreement; administering our equity incentive plans and any other compensation plans, policies and programs; discharging our Board's responsibilities relating to compensation payable to our independent directors; and reviewing and recommending to the Board compensation plans, policies and programs.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee consists of Messrs. LaManna and Linneman and Ms. Hurley, each of whom is an independent director under the rules of the NYSE. Our Board also determined that Ms. Hess, as Nominating and Corporate Governance Committee Chair-elect, is an independent director under the rules of the NYSE. Mr. LaManna chairs our Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee is responsible for seeking, considering and recommending to our Board qualified candidates for election as directors and recommending a slate of nominees for election as directors at each annual meeting of stockholders. The committee also recommends to our Board the appointment of each of our executive officers. It also periodically prepares and submits to our Board for adoption the committee's selection criteria for director nominees. It reviews and makes recommendations on matters involving the general operation of our Board and our corporate governance and annually recommends to our Board the nominees for each committee of the Board. In addition, the committee annually conducts an evaluation of the performance of our Board, both individually and collectively.

Other Committees

Our Board may from time to time establish other committees to facilitate the management of the Company.

Stock Ownership Guidelines

Our minimum share ownership guidelines for directors require that each director acquire and maintain a minimum number of shares equal to four times the basic annual cash retainer payable to non-employee directors within four years of becoming subject to the guidelines. From time to time, the Nominating and Corporate Governance Committee of the Board will review each director's compliance with the guidelines and may grant exceptions to the guidelines as it deems appropriate. All of our directors are either currently in compliance with the minimum share ownership guidelines or are still within the four year grace period for compliance.

Our minimum share ownership guidelines for executive officers require that our Chief Executive Officer, President, Chief Investment Officer and Chief Financial Officer acquire and maintain a minimum equity investment in the company of 5,000 shares of our common stock. Any executive officer elected to an office subject to the minimum share ownership guidelines after the minimum share ownership guidelines became effective must be compliant within three years of the date of his or her election. Until the minimum equity investment is met, an executive officer subject to the guidelines must retain all of our common stock granted to him or her as compensation. From time to time, the Nominating and Corporate Governance Committee of the Board will review each executive officer's compliance with the guidelines and may grant exceptions to the guidelines as it deems appropriate and market-competitive on a case-by-case basis. All of our executive officers subject to the minimum share ownership guidelines are currently in compliance therewith.

Policy Prohibiting Pledging and Hedging of Our Securities

Our Policy Prohibiting Pledging and Hedging of AG Mortgage Investment Trust, Inc. Compensation Committee Interlocks and Insider Participation

Our Compensation Committee consists solely of the following independent, non-employee directors: Messrs. Linneman and LaManna and Ms. Hess. None of the members of our Compensation Committee, nor any prospective member of our Compensation Committee, is or has been an employee or officer of us or any of our affiliates. During 2021, none of the Company's executive officers served on the compensation committee (or other committee serving an equivalent function) of another entity whose executive officers served on the Compensation Committee or Board.

AUDIT COMMITTEE REPORT

The audit committee (the “Audit Committee”) of the board of directors (the “Board”) of AG Mortgage Investment Trust, Inc. (the “Company”) has furnished the following report to stockholders of the Company in accordance with rules adopted by the Securities and Exchange Commission (the “SEC”). The Audit Committee is composed of three directors, each of whom is independent and “financially literate” under the rules of the NYSE. The Board has determined that each of Ms. Hess and Ms. Hurley is an “audit committee financial expert” as defined by the rules of the SEC. The Audit Committee has the duties and powers described in its written charter adopted by the Board on February 26, 2020. A copy of the charter is available on the Company’s website at www.agmit.com.

The Company’s management has primary responsibility for establishing and maintaining effective internal controls over financial reporting, preparing the Company’s consolidated financial statements in accordance with U.S. generally accepted accounting principles, and managing the public reporting process. PricewaterhouseCoopers LLP, the Company’s independent registered public accounting firm (“PwC”), is responsible for forming and expressing opinions on the conformity of the Company’s audited consolidated financial statements in accordance with U.S. generally accepted accounting principles, in all material respects, and on the effectiveness of the Company’s internal controls over financial reporting.

The Audit Committee reviewed and discussed with management the Company’s audited consolidated financial statements for the year ended December 31, 2021, including a discussion of the acceptability and appropriateness of significant accounting policies and management’s assessment of the effectiveness of the Company’s internal controls over financial reporting. The Audit Committee discussed with the Company’s independent registered public accounting firm matters related to the conduct of the audits of the Company’s consolidated financial statements and internal controls over financial reporting. The Audit Committee also reviewed with management and the independent registered public accounting firm the reasonableness of significant estimates and judgments made in preparing the consolidated financial statements, as well as the clarity of the disclosures in the consolidated financial statements and related notes. The Audit Committee does not itself prepare financial statements or perform audits, and its members are not auditors or certifiers of the Company’s financial statements.

The Audit Committee has discussed with the Company’s independent registered public accounting firm the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board (“PCAOB”).

The Audit Committee has also received and reviewed the written communications from PwC as required by the applicable requirements of the PCAOB regarding PwC’s communications with the Audit Committee concerning independence and has discussed with PwC its independence.

Based on the reviews and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to in this report and in the Company’s Audit Committee charter, the Audit Committee recommended to the Board (and the Board approved) the audited consolidated financial statements and related notes be included in the Annual Report on Form 10-K for the year ended December 31, 2021 for filing with the SEC. PROPOSAL 3: APPROVAL ON AN ADVISORY BASIS OF OUR EXECUTIVE COMPENSATION

At our 2018 annual meeting, we asked our stockholders to vote, on an advisory basis, to recommend the frequency with which we would provide future advisory votes on named executive officer compensation. At our 2018 annual meeting, 98% of our stockholders who voted on the “say on frequency” proposal voted, on an advisory basis, to hold future advisory votes on named executive officer compensation each year. Taking into consideration the recommendation of the stockholders, our Board elected to hold advisory votes on named executive officer compensation each year. In the future, our Board may reconsider the frequency with which we hold advisory votes on named executive officer compensation.

Our Board is committed to corporate governance best practices and recognizes the significant interest of stockholders in executive compensation matters. We are providing this advisory vote as required pursuant to the rules of the SEC. We are asking our stockholders to indicate their support for our named executive officer compensation as disclosed in this Proxy Statement. This vote is not intended to address any specific item of compensation, but rather the overall policies and practices that apply to the compensation of our named executive officers. We will ask our stockholders to vote “FOR” the following resolution at the Annual Meeting:

“RESOLVED, that the stockholders approve, on an advisory basis, the compensation of the Company’s named executive officers, as disclosed in the Company’s Proxy Statement for the 2022 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, the compensation tables and the other related disclosure.”

While this vote is advisory and not binding on us or the Compensation Committee, it will provide information to us and the Compensation Committee regarding stockholder sentiment about our executive compensation policies and practices. Our Board and our Compensation Committee value the opinions of our stockholders. In the event there is a significant vote against the named executive officer compensation as disclosed in this Proxy Statement, we will consider our stockholders’ concerns, and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

As described in detail under the heading “Executive Compensation” below, we are externally managed by our Manager, pursuant to the management agreement between our Manager and us. Our Manager has delegated to Angelo Gordon the overall responsibility of our Manager’s day-to-day duties and obligations arising under our management agreement. In 2021, we did not have any employees whom we compensated directly with salary, other cash compensation or stock-based compensation. A portion of our named executive officers’ compensation was paid out of funds from management fees we pay to our Manager and the expense reimbursement we pay to our Manager. We have not paid, and do not intend to pay, any cash compensation to our named executive officers. We do not provide our named executive officers with pension benefits, termination payments or other incidental payments.

RECOMMENDATION OF THE BOARD:

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE APPROVAL, ON AN ADVISORY BASIS, OF OUR EXECUTIVE COMPENSATION.

The voting requirements for this proposal are described in the “General Information About the Annual Meeting and Voting” section above.

Compensation Discussion and Analysis

Our Compensation Discussion and Analysis describes our compensation program, objectives and policies for the executive officers named in this Proxy Statement and our executive officers generally.

Overview of Compensation Program

We have no employees. We are externally managed by our Manager, pursuant to a management agreement between our Manager and us. Because the management agreement provides that our Manager is responsible for managing our affairs, our executive officers, all of whom are employees of our Manager or an affiliate of our Manager, do not receive cash compensation from us. Instead, our executive officers are compensated by our Manager or an affiliate of our Manager, in part, with the management fee we pay to our Manager and with the expense reimbursement we provide to our Manager related to compensation. The management agreement provides for our reimbursement to the Manager of the allocable share of annual base salary, bonus, and any related withholding taxes and employee benefits paid to our chief financial officer, general counsel and other non-investment personnel based on the percentage of time those individuals spent on our affairs or another agreed upon methodology fair to the Company. We do not determine the compensation payable to personnel, including our executive officers, by our Manager or its affiliates. Our Manager or its affiliates, in their discretion, determine the levels of base salary, cash incentive compensation and other benefits earned by our executive officers.

Cash and Other Compensation

Our named executive officers and other personnel who conduct our business are employees of our Manager or its affiliates. Accordingly, we do not pay or accrue any salary or bonus for our executive officers.

Equity-Based Compensation

Our Compensation Committee may, from time to time, grant equity awards in the form of restricted stock, stock options, restricted stock units or other types of awards to our Manager or to our named executive officers pursuant to our equity incentive plans. These awards are designed to align the interests of our named executive officers with those of our stockholders by allowing our named executive officers to share in the creation of value for our

stockholders through stock appreciation and dividends. These equity awards are generally subject to vesting requirements over a number of years and are designed to promote the retention of management and to achieve strong performance for our Company. These awards further provide flexibility to us in enabling our Manager to attract, motivate and retain talented individuals.

Notwithstanding the foregoing, following the execution of the Third Amendment to our management agreement in November 2021 related to the incentive fee, the Compensation Committee no longer expects to continue its historical practice of making periodic equity grants to the Manager pursuant to the Company's 2021 manager equity incentive plan.

We believe our equity-based compensation policies are particularly appropriate since we are an externally managed real estate investment trust, or REIT. REIT regulations require us to pay at least 90% of our earnings to stockholders as dividends.

We have not and do not intend to either backdate stock options or grant stock options retroactively. Presently, we do not have designated dates on which we grant stock option awards. We do not intend to time stock options grants with our release of material nonpublic information for the purpose of affecting the value of executive compensation.

To further align the interests of management and our stockholders, Angelo Gordon, an affiliate of our Manager may, in its discretion, grant to its employees separate awards of shares of our common stock that Angelo Gordon and its affiliates acquired from us, including shares acquired in connection with the completion of our initial public offering, received from us in lieu of cash for a portion of the first and second quarters of 2020 base management fees or acquired in our public common stock offering completed in November 2021 when the Manager purchased 700,000 shares at the public offering price not subject to any underwriting discounts or commissions. Awards based on shares of our common stock made by our Manager to our named executive officers are generally subject to time-based vesting conditions and are not made pursuant to our Company's equity incentive plans. Our compensation committee is aware of the terms of equity awards made by Angelo Gordon out of the shares of our common stock our Manager previously acquired from us. Angelo Gordon determines the amounts of any awards of shares of our common stock held by Angelo Gordon to our named executive officers and other recipients. In connection with 2021 bonus compensation, in January 2022, Angelo Gordon granted an aggregate of 607,500 shares of our common stock to our executive officers and other employees of our Manager or an affiliate of our Manager providing services to us. As of the date of this proxy statement, Angelo Gordon holds 365,791 shares of our common stock that may be granted to our executive officers and its employees.

Compensation in 2021

We did not pay any compensation of any kind to our named executive officers during the year ended December 31, 2021. We do not provide any of our executive officers with any cash compensation, pension benefits or non-qualified deferred compensation plans. The compensation that we reimbursed to our Manager for our allocable share of the 2021 compensation of our Chief Financial Officer, Chief Risk Officer and General Counsel is discussed in this Proxy Statement in "Other Matters – Certain Relationships and Related Transactions – Management Agreement."

For 2021, the named executive officers as a group received aggregate salaries of \$0.8 million and aggregate performance-based incentive bonuses for 2021 of \$8.2 million from the Manager, based on the percentage of time such officers spent managing affairs of the Company. These amounts collectively represent 132% of the aggregate management fees the Company paid to the Manager during 2021. On an aggregated basis, based on the percentage of time the named executive officers spent managing affairs of the Company, such officers received 8.7% of their total compensation in the form of base salaries and the remaining 91.3% in the form of performance-based incentive bonuses. The performance-based incentive bonuses for 2021 include awards of our common stock made by our Manager to certain of our named executive officers. Such awards are subject to time-based vesting conditions.

Our Manager and its affiliates do not use a specific formula to calculate the variable or incentive pay portion of our named executive officers' compensation. Additionally, our Manager and its affiliates do not explicitly set future

variable or incentive compensation on the basis of the compensation the named executive officers earned in prior years. Generally, in determining each executive's variable or incentive pay, our Manager and its affiliates will take into account factors such as the individual's position, his or her contribution to our Company and market practices. We did not, nor did our Manager or its affiliates, retain a compensation consultant in connection with the compensation of our named executive officers in 2021.

Summary Compensation Table

Our named executive officers are not our employees and are not paid compensation by us. We have not paid any compensation to our named executive officers for the years ended December 31, 2019, December 31, 2020 or December 31, 2021.

Grants of Plan Based Awards in 2021

We did not grant any shares of restricted stock, options, restricted stock units or other incentive compensation to our named executive officers during the year ended December 31, 2021.

Outstanding Equity Awards at Fiscal Year-End

As of December 31, 2021, there was no outstanding award of equity made to any of our named executive officers.

Options Exercised and Stock Vested

As of December 31, 2021, we had not issued any outstanding options to purchase shares of common stock to any of our named executive officers. No option to purchase shares of our common stock or restricted shares of common stock granted by the Company to any of our named executive officers vested in 2021.

Pension Benefits

We do not provide any of our named executive officers with pension benefits.

Nonqualified Deferred Compensation

We do not provide any of our named executive officers with any nonqualified deferred compensation plans.

Potential Payments Upon Termination of Employment

We do not have any employment agreement with any of our named executive officers and are not obligated to make any payment to them upon termination of employment.

Potential Post-Employment Payments and Payments on a Change in Control

We do not have any employment agreements with any of our named executive officers and are not obligated to make any post-employment payments to them or any payments upon a change of control.

Compensation Policies and Practices as They Relate to Risk Management

We did not pay any compensation of any kind to our named executive officers and did not have any employees during the year ended December 31, 2021. Therefore, our compensation policies and practices are not reasonably likely to have a material adverse effect on us. We pay our Manager a management fee that is a percentage of our stockholders' equity, as that term is defined in the management agreement. We believe this management fee structure helps guard against our Manager making higher risk investments to achieve higher management fees as might be the case if the management fee was based on total assets or returns on investments. In addition, beginning with the 2023 calendar year, our Manager has the ability to earn an incentive fee that is based, in large part, upon our

achievement of targeted levels of adjusted net income, as calculated in accordance with the management agreement. The incentive fee is computed and paid annually generally on adjusted net income that includes unrealized gains driven by mark-to-market increases on investments. The incentive fee is payable in cash or, at the Board's option, in shares of our common stock. We have designed our compensation policy in an effort to provide the proper incentives to our executive officers and our Manager to maximize our performance in order to serve the best interests of our stockholders. Our Board monitors our compensation policies and practices to determine whether our risk management objectives are being met.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board of AG Mortgage Investment Trust, Inc. (the "Company") has reviewed and discussed the Compensation Discussion and Analysis contained in this Proxy Statement with management of the Company. Based on that review and discussion, the Compensation Committee recommended to the Board (and the Board has approved) that the Compensation Discussion and Analysis be included in the Company's Proxy Statement.

DIRECTOR COMPENSATION

Director Compensation

Our Compensation Committee is responsible for discharging our Board's responsibilities relating to compensation payable to our non-employee directors. Our Compensation Committee annually evaluates compensation paid to our non-employee directors and may, from time to time, recommend to the full Board changes to such compensation as appropriate. Our Compensation Committee did not retain a compensation consultant in connection with establishing the compensation paid to our non-employee directors for 2021. The Company does not pay director compensation to directors who are also employees of our Manager or its affiliates (i.e., David N. Roberts and T.J. Durkin).

Each member of our Board who is not an employee of our Manager or its affiliates received annual compensation for service as a director during 2021 as follows:

- Each non-employee director receives an annual base fee of \$150,000, of which \$70,000 is payable in unrestricted cash and the other \$80,000 is payable in shares of restricted common stock.
- The lead independent director receives an additional annual fee of \$25,000.
- In addition, the chair of our Audit Committee receives an annual fee of \$25,000, and the chairs of our Compensation and Nominating and Corporate Governance Committees each receive an annual fee of \$10,000.

The following table summarizes the compensation that we paid to our non-employee directors for their services in fiscal year 2021:

The annual cash and equity compensation for our non-employee directors is paid quarterly in arrears. The number of shares of restricted common stock to be issued each quarter to each non-employee director is determined based on the average of the high and low prices of the Company's common stock on the New York Stock Exchange on the last trading day of each fiscal quarter. In addition, the restricted common stock issued to non-employee directors may not be sold or transferred during such director's term of service on the Board.

Each member of our Board is also reimbursed for reasonable out-of-pocket expenses associated with service on the Board and Committee thereof and with attendance at or participation in board meetings or committee meetings, including reasonable travel expenses.

OTHER MATTERS

Certain Relationships and Related Transactions

Our Manager is a subsidiary of Angelo Gordon. Two of our current executive officers and directors/nominated directors (David N. Roberts and T.J. Durkin) and all of our other executive officers are employees of Angelo Gordon or its affiliates.

To avoid any actual or perceived conflict of interest with our Manager, our Board has approved investment guidelines and policies providing that an investment in any security structured or managed by our Manager and its affiliates, and any sale of our assets to our Manager and its affiliates or any entity managed by our Manager and its affiliates, will comply with all applicable law, our compliance policies, and the compliance policies of Angelo Gordon and our Manager. Our independent directors have approved parameters within which our Manager and its affiliates may act as our counterparty and provide broker, dealer and lending services to us in order to enable transactions to occur in an orderly and timely manner. Angelo Gordon and/or our Manager may in the future change then-existing, or adopt additional, conflicts of interest resolution policies and procedures. Our independent directors periodically review our Manager's and Angelo Gordon's compliance with these conflicts of interest provisions.

Related Person Transaction Policy

Our Board has adopted a policy (the "Related Person Transaction Policy") regarding the approval of any "related person transaction," which is any transaction or series of transactions in which (i) we or any of our subsidiaries is or are to be a participant, (ii) the amount involved exceeds one hundred twenty thousand dollars (\$120,000), and (iii) a "related person" (as defined under SEC rules) has a direct or indirect material interest. Under the Related Person Transaction Policy, a related person would need to promptly disclose to our Secretary or Assistant Secretary any related person transaction and all material facts about the transaction. Our Secretary or Assistant Secretary, in consultation with outside counsel, to the extent appropriate, would then assess and promptly communicate that information to the Audit Committee of our Board. Based on its consideration of all of the relevant facts and circumstances, the Audit Committee will review, approve or ratify such transactions as appropriate. The Audit Committee will not approve or ratify a related person transaction unless it shall have determined that such transaction is in, or is not inconsistent with, our best interests and does not create a conflict of interest. If we become aware of an existing related person transaction that has not been approved under this policy, the transaction will be referred to the Audit Committee which will evaluate all options available, including ratification, revision or termination of such transaction. Our Related Person Transaction Policy requires any director who may be interested in a related person transaction to recuse himself or herself from any consideration of such related person transaction.

Affiliated Transactions Policy

Our Board has also adopted a policy (the "Affiliated Transactions Policy") regarding the approval of any transaction with affiliates that are not "related persons," as that term is defined in the Related Person Transaction Policy. The Affiliated Transactions Policy is meant to supplement the existing policies and procedures of the Related Person Transaction Policy. The Affiliated Transactions Policy applies to all transactions between Angelo Gordon, or any entity or account managed by an affiliate of Angelo Gordon, and us (an "Affiliated Transaction"). All Affiliated Transactions must be permitted within our investment guidelines and contractual agreements, comply with applicable law and regulations, satisfy the requirements of Angelo Gordon's cross trade policy and comply with any other requirement deemed necessary by our General Counsel. Affiliated Transactions that satisfy each of the foregoing criteria are presumed to be fair, reasonable and within the Affiliated Transaction Policy. On a quarterly basis, our management team delivers a complete list and appropriate supporting documentation of the Affiliated Transactions entered into during the quarter to the Audit Committee for its review and confirmation to the Company's independent directors.

Management Agreement

We entered into a management agreement with AG REIT Management, LLC, our Manager, in connection with our initial public offering. Our management agreement with our Manager provides for the day-to-day management of our operations. Our Manager has delegated to Angelo Gordon the overall responsibility of its day-to-day duties and obligations arising under our management agreement.

The management agreement requires our Manager to manage our business affairs in conformity with the investment policies that are approved and monitored by our Board. Pursuant to the terms of our management agreement, our Manager is obligated to supply us with our management team, including a chief executive officer, chief financial officer and chief investment officer or similar positions, along with appropriate support personnel, to provide the management services to be provided by our Manager to us as described in the management agreement.

We are obligated to reimburse our Manager or its affiliates for the allocable share of the compensation, including, without limitation, annual base salary, bonus, any related withholding taxes and employee benefits, paid to (i) our chief financial officer based on the percentage of time spent on our affairs, (ii) our general counsel based on the percentage of time spent on our affairs, and (iii) other corporate finance, tax, accounting, internal audit, legal, risk management, operations, compliance and other non-investment personnel of our Manager and its affiliates who spend all or a portion of their time managing our affairs based upon the percentage of time devoted by such personnel to our affairs. In their capacities as executive officers or personnel of our Manager or its affiliates, they will devote such portion of their time to our affairs as is necessary to enable us to operate our business. For the years ended December 31, 2021 and December 31, 2020, the Company recorded \$6.3 million and \$7.4 million, respectively, of reimbursable expenses payable to the Manager, of which approximately \$1.5 million and \$1.2 million, respectively, related to the Company's allocable share of annual compensation reimbursed to our Manager for our Chief Financial Officer, Chief Risk Officer, and General Counsel based on the percentage of time such officers spent on the Company's affairs. For the year ended December 31, 2021, the Manager agreed to waive its right to receive expense reimbursements of \$0.8 million.

Pursuant to the management agreement, we pay to our Manager a management fee, calculated and payable quarterly in arrears in an amount equal to 1.50% of our Stockholders' Equity, per annum. For the years ended December 31, 2021 and December 31, 2020, our Manager earned management fees of \$6.8 million and \$7.2 million, respectively.

On April 6, 2020, we executed an amendment to the management agreement, pursuant to which the Manager agreed to defer our payment of the management fee and reimbursement of expenses, effective the first quarter of 2020 through September 30, 2020. All deferred expense reimbursements were paid as of September 30, 2020.

On September 24, 2020, we executed an amendment (the "Second Amendment") to the management agreement, pursuant to which the Manager agreed to receive a portion of the deferred base management fee in shares of common stock. Pursuant to the Second Amendment, the Manager agreed to purchase (i) 405,123 shares of common stock in full satisfaction of the deferred base management fee of \$3.8 million payable by us in respect to the first and second quarters of 2020 and (ii) 51,500 shares of common stock in satisfaction of \$0.5 million of the base management fee payable by us in respect to the third quarter of 2020. The shares of common stock issued to the Manager were valued at \$9.45 per share based on the midpoint of the estimated range of our book value per share as of August 31, 2020. The remaining third quarter 2020 management fee was paid in the normal course of business.

On November 22, 2021, we executed an amendment (the "Third Amendment") to the management agreement, pursuant to which we agreed to include an incentive fee, in addition to a base management fee. Pursuant to the Third Amendment, the Manager waived the annual incentive fee with respect to the fiscal years ending December 31, 2021 and December 31, 2022, and the annual incentive fee will first be payable with respect to the fiscal year ending December 31, 2023.

The annual incentive fee with respect to each applicable fiscal year will be equal to 15% of the amount by which our cumulative adjusted net income from the date of the Third Amendment exceeds the cumulative hurdle amount, which represents an 8% return (cumulative, but not compounding) on an equity hurdle base consisting of the sum of

(i) our adjusted book value (calculated in the manner described in our public filings) as of October 31, 2021, (ii) \$80.0 million, and (iii) the gross proceeds of any subsequent public or private common stock offerings by us. The annual incentive fee will be payable in cash, or, at the option of our Board of Directors, shares of our common stock or a combination of cash and shares.

The initial term of the management agreement was three years. Pursuant to the Third Amendment, the term of the management agreement was extended until June 30, 2023, unless earlier terminated in accordance with its terms. Thereafter, the management agreement will continue to renew automatically each year for an additional one-year period, unless the Company or the Manager exercise its respective termination rights. As of the date hereof, no event of termination has occurred. Our Manager is entitled to receive a termination fee from us should the management agreement be terminated under certain circumstances.

Following the execution of the Third Amendment the Compensation Committee no longer expects to continue its historical practice of making periodic equity grants to the Manager pursuant to the Company's 2021 manager equity incentive plan.

Secured debt

On April 10, 2020, in connection with the first of a series of forbearance agreements (collectively, the "Forbearance Agreement"), we issued a secured promissory note (the "Note") to the Manager evidencing a \$10 million loan (the "First Loan") made by the Manager to us. Additionally, on April 27, 2020, in connection with the second Forbearance Agreement, we entered into an amendment to the Note to reflect an additional \$10 million loan (the "Second Loan") by the Manager to us. The First Loan was repaid in full with interest when it matured on March 31, 2021, and the Second Loan was repaid in full with interest when it matured on July 27, 2020. The unpaid balance of the Note accrued interest at a rate of 6.0% per annum. Interest on the Note was payable monthly in kind through the addition of such accrued monthly interest to the outstanding principal balance of the Note.

Common Stock Offering

On November 17, 2021, we, along with the Manager, entered into an underwriting agreement (the "Underwriting Agreement"), with Credit Suisse Securities (USA) LLC, JMP Securities LLC, and Wells Fargo Securities, LLC, as representatives of the underwriters (the "Underwriters"), for the issuance and sale of 7,000,000 shares of our common stock. We also provided the Underwriters a 30-day option to purchase up to an additional 1,050,000 shares of Common Stock. The transaction contemplated by the Underwriting Agreement closed on November 22, 2021, with the Underwriters' option exercised and closed on December 15, 2021. The Manager and David N. Roberts, our Chairman and Chief Executive Officer, participated in the underwritten offering and purchased 700,000 and 200,000 shares of our common stock, respectively, at the public offering price of \$10.25 per share and such purchases were not subject to any underwriting discounts or commissions.

Transactions with Red Creek Asset Management LLC

In connection with the Company's investments in residential mortgage loans, the Company engages asset managers to provide advisory, consultation, asset management and other services. The Company engaged Red Creek Asset Management LLC ("Asset Manager"), an affiliate of the Manager and direct subsidiary of Angelo Gordon, as the asset manager for certain of its residential mortgage loans. The Company pays the Asset Manager separate arm's-length asset management fees as assessed and confirmed periodically by a third-party valuation firm. The fees paid by the Company to the Asset Manager totaled \$2.2 million and \$2.7 million for the years ended December 31, 2021 and 2020, respectively.

Transactions with Arc Home

On December 9, 2015, the Company, alongside private funds managed by Angelo Gordon, through AG Arc LLC, one of the Company's indirect affiliates ("AG Arc"), formed Arc Home LLC ("Arc Home"). The Company has an approximate 44.6% interest in AG Arc. Arc Home originates residential mortgage loans and retains the mortgage

servicing rights associated with the loans it originates. Arc Home is led by an external management team. The Board of Managers of Arc Home consists of members appointed by us and affiliates of our Manager. Our investment in Arc Home had a fair value of \$53.4 million and \$45.3 million as of December 31, 2021 and December 31, 2020, respectively.

Arc Home may sell loans to the Company, to third-parties, or to affiliates of the Manager. Arc Home may also enter into agreements with third-parties or affiliates of the Manager to sell rights to receive the excess servicing spread related to MSRs that it either purchases from third-parties or originates. The Company, directly or through its subsidiaries, previously entered into agreements with Arc Home to purchase rights to receive the excess servicing spread related to certain of Arc Home's MSRs. As of December 31, 2021, the Company did not hold any of these Excess MSRs. These Excess MSRs had a fair value of approximately \$3.5 million as of December 31, 2020.

During 2021, Arc Home began selling sold loans to the Company. Arc Home sold Non-QM Loans and GSE Non-Owner Occupied Loans with an unpaid principal balance of \$613.7 million and \$198.9 million to the Company, respectively, during the year ended December 31, 2021.

During 2020, Arc Home began selling Non-QM Loans to a private fund under the management of Angelo Gordon. Arc Home sold Non-QM Loans with an unpaid principal balance of \$613.3 million and \$57.4 million to this affiliate of the Manager during the years ended December 31, 2021 and 2020, respectively.

In August 2020, the Company, alongside private funds under the management of Angelo Gordon, sold its Ginnie Mae Excess MSR portfolio to Arc Home for total proceeds of \$18.9 million. The portfolio had a total unpaid principal balance of \$3.5 billion. The Company's share of the total proceeds approximated \$8.5 million, representing its approximate 45% ownership interest. Arc Home subsequently sold its Ginnie Mae MSR portfolio to a third-party.

In July 2021, the Company, alongside private funds under the management of Angelo Gordon, sold its remaining Agency Excess MSRs to Arc Home for total proceeds of \$9.9 million. The portfolio had a total unpaid principal balance of \$2.0 billion. The Company's share of the total proceeds was \$2.7 million, representing its approximate 45% ownership interest. Arc Home subsequently sold its MSR portfolio to a third party.

Mortgage Acquisition Trust I Restructured Financing Arrangement

On August 29, 2017, the Company, alongside private funds managed by Angelo Gordon, formed Mortgage Acquisition Holding I LLC ("MATH") to conduct a residential mortgage investment strategy. The Company has an approximate 44.6% interest in MATH. MATH in turn sponsored the formation of an entity called Mortgage Acquisition Trust I LLC ("MATT") to purchase predominantly Non-QM Loans. MATT made an election to be treated as a real estate investment trust beginning with the 2018 tax year. As of December 31, 2021, MATT primarily holds retained tranches from past securitizations which continue to reduce in size due to ongoing principal repayments and the Company does not expect to acquire additional investments within this equity method investment.

On April 3, 2020, the Company, alongside private funds under the management of Angelo Gordon, restructured its financing arrangements in MATT ("Restructured Financing Arrangement"). The Restructured Financing Arrangement required all principal and interest on the underlying assets in MATT to be used to pay down principal and interest on the outstanding financing arrangement. As of April 3, 2020, the Restructured Financing Arrangement did not have mark-to-market margin calls and was non-recourse to the Company. The Restructured Financing Arrangement provided for a termination date of October 1, 2021. At the earlier of the termination date or the securitization or sale by the Company of the remaining assets subject to the Restructured Financing Arrangement, the financing counterparty (which is a non-affiliate) was entitled to 35% of the remaining equity in the assets. The Company evaluated this restructuring and concluded it was an extinguishment of debt. MATT chose to make a fair value election on this financing arrangement and the Company treated this arrangement consistently with this election.

On January 29, 2021, the Company, alongside private funds under the management of Angelo Gordon, entered into an amendment with respect to its Restructured Financing Arrangement in MATT. The amendment converted the existing financing to a mark-to-market facility that is recourse to the Company and the private funds managed by Angelo Gordon that invest in MATT up to the below mentioned commitment from MATH to MATT. Upon amending the agreement, the Company settled the premium recapture fee with the financing counterparty.

On January 29, 2021, the Company alongside private funds under the management of Angelo Gordon, entered into an amendment to the MATH LLC Agreement, which requires MATH to fund a capital commitment of \$50.0 million to MATT. The Company, through its investment in MATH, is responsible for its pro-rata share of the capital commitment. Subsequent to year end, this agreement was amended and the capital commitment to MATT was reduced to \$35.0 million.

Securitization Transactions

In February 2020, the Company, alongside private funds under the management of Angelo Gordon, participated through its unconsolidated ownership interest in MATT in a rated Non-QM Loan securitization, in which Non-QM Loans with a fair value of \$348.2 million were securitized. Certain senior tranches in the securitization were sold to third-parties with the Company and private funds under the management of Angelo Gordon retaining the subordinate tranches, which had a fair value of \$26.6 million as of March 31, 2020. The Company has a 44.6% interest in the retained subordinate tranches.

In August 2020, the Company, alongside private funds under the management of Angelo Gordon, participated through its unconsolidated ownership interest in MATT in a rated Non-QM Loan securitization, in which Non-QM Loans with a fair value of \$226.0 million were securitized. Certain senior tranches in the securitization were sold to third-parties with the Company and private funds under the management of Angelo Gordon retaining the subordinate tranches, which had a fair value of \$24.3 million as of September 30, 2020. The Company has a 44.6% interest in the retained subordinate tranches.

In May 2021, the Company, alongside private funds under the management of Angelo Gordon, participated through its unconsolidated ownership interest in MATT in a rated Non-QM Loan securitization, in which Non-QM Loans with a fair value of \$171.4 million were securitized. Certain senior tranches in the securitization were sold to third parties with the Company and private funds under the management of Angelo Gordon retaining the subordinate tranches, which had a fair value of \$25.7 million as of June 30, 2021.

In November 2021, the Company, alongside a private fund under the management of Angelo Gordon, participated in a rated Non-QM Loan securitization, in which Non-QM Loans with a fair value of \$225.9 million were securitized. Upon evaluating its investment in the VIE, the Company determined it was not the primary beneficiary and, as a result, did not consolidate the securitization trust. Certain senior tranches in the securitization were sold to third-parties with the Company and the private fund under the management of Angelo Gordon retaining the subordinate tranches, which had a fair value of \$44.0 million as of December 31, 2021. The Company has a 40.9% interest in the retained subordinate tranches which represents its continuing involvement in the securitization trust.

Transactions under the Company's Affiliated Transaction Policy

In July 2020, in accordance with the Company's Affiliated Transactions Policy, the Company sold certain real estate securities to an affiliate of the Manager. As of the date of the transaction, these real estate securities had a total fair value of \$1.9 million. The purchase occurred by the affiliate submitting an offer to purchase the securities to the Company in a competitive bidding process. This allowed the Company to confirm third-party market pricing and best execution.

In October 2020, in accordance with the Company's Affiliated Transactions Policy, the Company acquired certain real estate securities and Excess MSRs from an affiliate of the Manager. As of the date of the transaction, these real estate securities and Excess MSRs had a total fair value of \$0.5 million and \$20.0 thousand, respectively. As procuring market bids for the real estate securities was determined to be impracticable in the Manager's reasonable

judgment, appropriate pricing was based on a valuation prepared by third-party pricing vendors. The third-party pricing vendors allowed the Company to confirm third-party market pricing and best execution.

In March 2021, in accordance with our Affiliated Transactions Policy, we sold certain real estate securities to an affiliate of the Manager. As of the date of the transaction, these real estate securities had a total fair value of \$6.9 million. The purchase occurred by the affiliate submitting an offer to purchase the securities to us in a competitive bidding process. This allowed us to confirm third-party market pricing and best execution.

In April 2021, in accordance with our Affiliated Transactions Policy, we sold certain CMBS to affiliates of the Manager. As of the date of the transaction, the CMBS sold to the buyer had a total fair value of \$16.8 million. Pricing was based on valuations prepared by third-party pricing vendors in accordance with our policy. The third-party pricing vendors allowed us to confirm third-party market pricing and best execution.

In July 2021, in accordance with our Affiliated Transactions Policy, we sold certain real estate securities to affiliates of the Manager. As of the date of the transaction, these real estate securities had a total fair value of \$17.6 million. The purchase occurred by the affiliate submitting an offer to purchase the securities to us in a competitive bidding process. This allowed us to confirm third-party market pricing and best execution.

In October 2021, in accordance with our Affiliated Transactions Policy, we purchased through one of our unconsolidated affiliated entities certain real estate securities from affiliates of the Manager. As of the date of the transaction, these real estate securities had a total fair value of \$3.5 million. Pricing was based on valuations prepared by third-party pricing vendors in accordance with our policy. The third-party pricing vendors allowed us to confirm third-party market pricing and best execution.

In November 2021, MATT exercised its call rights on two securitization trusts in which it held interests in the subordinate tranches. Upon exercising its call rights and acquiring the remaining residential mortgage loans within the trusts, MATT sold the loans to us and a private fund under the management of Angelo Gordon in accordance with our Affiliated Transactions Policy. As of the date of the transaction, the residential mortgage loans sold to us and the private fund had a total fair value of \$181.8 million and \$183.6 million, respectively. Pricing was based on valuations prepared by third-party pricing vendors in accordance with our policy. The third-party pricing vendors allowed us to confirm third-party market pricing and best execution.
